

## **Press release**

### **Schüsckke Solid Solutions introduces new solutions at the Aircraft Interiors Expo 2017**

**Kirchentellinsfurt, 21<sup>th</sup> February 2017** – *Schüsckke will showcase new innovations at this year's Aircraft Interiors Expo in Hamburg, Germany – the world's largest event dedicated to the aircraft interiors industry. The yearly fair takes place from April 04<sup>th</sup> until 06<sup>th</sup> 2017.*

Among other presentations, visitors to the Schüsckke stand will be able to see the new washbasin solutions for the Airbus A330neo. These innovations have brought a lot of improvements: Smart design, different options, function and a new production technology.

Lavatories will thus be more smart, inspiring and functional, which will create a relaxed passenger experience.

Visitors will also be able to see new developments in the use of the solid surface material Varicor<sup>®</sup>.

Schüsckke Solid Solutions is constantly working to improve its products and services and adapt them to the permanent customer demands.

We look forward to welcoming you at our stand, 6A30 in hall B6, speaking with you and presenting you Schüsckke's innovative solutions.
